

Accessibility Declaration

Basic information about the entity

ENTE EF Fostering Entrepreneurship through Freelancing is committed to ensuring the accessibility of its website in accordance with the Act of 4 April 2019 on the digital accessibility of websites and mobile applications of public sector bodies.

This accessibility statement applies to the website:

<https://enteef.uek.krakow.pl/>

Date of website publication: 1 December, 2024

Date of last significant update: 30 November, 2025

Status of digital accessibility

The website is **compliant** with the Act of 4 April 2019 on the digital accessibility of websites and mobile applications of public sector bodies due to the non-compliances or exclusions listed below.

Exclusions

- Documents published before 23 September 2018 are excluded from the obligation to ensure accessibility unless their content is necessary for the performance of the public entity's current tasks.
- Maps are excluded from the obligation to ensure accessibility.
- Archival content published before 23 September 2019 that is not used for current tasks and has not been modified since that date is excluded from the obligation to ensure accessibility.
- Content held by the entity that was not created or commissioned by it, or for which the adaptation to accessibility requirements would require modifications the entity is not authorized to make, is excluded from the obligation to ensure accessibility.

Preparation of this accessibility declaration

Everyone has the right to request that a website, mobile application, or any of their elements be made digitally accessible. You can also request access to information through an alternative means.

Preparation of an accessibility declaration

Requests for inaccessible information and accessibility-related inquiries can be submitted using the same contact details as above.

A person submitting a request should provide:

Their **name and surname**,

Contact details (e.g., phone number or email address),

The **exact address (URL)** of the webpage containing inaccessible content or elements,

A **description of the problem** and a suggestion on how to resolve it in a way that best suits the requester's needs.

If an alternative means of access is requested, the preferred format should also be specified (e.g., reading a document aloud, describing video content, etc.).

We will respond to your request as soon as possible, but no later than **7 days** from the date of receipt. If we are unable to meet this deadline, we will inform you and set a new one, which will not exceed **2 months**.

If ensuring digital accessibility is not possible, the public entity will propose an **alternative means of access** to the information.

If the request for accessibility or alternative access is denied, you may file a **complaint** concerning the accessibility of the website, mobile application, or their elements.

After exhausting the above procedure, you may also submit a complaint to the **Commissioner for Human Rights (Rzecznik Praw Obywatelskich)**.

Handling of Accessibility Requests and Complaints

Any complaints should be submitted by post or email to the Accessibility Coordinator at the Krakow University of Economics.
